

## **Summer Workshop 2016-**

The fifteen days Summer Workshop was held between 15<sup>th</sup> and 30<sup>th</sup> June 2016, for the studying students of Banaras Hindu University. The workshop was for the practical works and experiences, based on 'Innovation and Environment, Psychology behind Innovation Mind, Android application Development, Creativity and Innovation, Social Entrepreneurship and Innovation, Rural development & Innovation etc.' mentored by Academic and Professional Innovators and Experts. 35 students were participated in the Summer Workshop.

The background features abstract geometric shapes in various shades of blue. On the right side, there is a large, complex shape composed of several overlapping triangles and polygons. On the left side, there is a smaller, simpler blue triangle. The overall design is modern and minimalist.
